

Hills Homes' Coronavirus Business Continuity Statement

15 July 2021

This update follows the Prime Minister's announcement of Step 4 of the Government's roadmap to ease national restrictions in relation to Coronavirus and sets out Hills Homes' response with effect from 19 July 2021.

Hills Homes' priority is to follow Government guidance to ensure that our business activities and work environments are as secure from the virus as possible.

We have also taken the decision in some situations to exceed the requirements set. This includes maintaining a 1 metre social distance within our offices and sites, where this is operationally possible, and wearing of face coverings whilst moving around inside buildings will be encouraged but voluntary. Employees already working from home, where their role permits, will continue to do so.

These additional measures will be reviewed at the earliest 6 September 2021 with any changes implemented on or after 20 September 2021. Review dates remain subject to any interventions / edicts from Government which the Company may be required to follow.

Our sales office and show homes at High Penn Park, Calne are open for viewings from 10.00 until 16.00 Monday to Friday for pre-booked appointments only. Please contact Atwell Martin estate agency on 01249 813813 or email hpp@atwellmartin.co.uk to arrange an appointment. We have information on our website www.hills-homes.co.uk about all of our current developments, as well as virtual tours of our house types for easy viewing and the estate agencies' contact details for each Hills Homes development.

We continue to provide a full after sales service for new home owners in line with the Consumer Code for Home Builders and priority will be given to emergencies.

We are keeping under review the impact that Coronavirus is having on our business and mitigate any potential service disruption so that we continue to deliver essential services to our customers as we have managed to do throughout this pandemic. We will keep both employees and customers updated on any changes.

Nick King
Group director – Hills Homes Developments Ltd
